Animals in my country

- red deer
- wild boar
- deer
- fox
- badger
- birds
- bats
- horses
- waterfowl
- mink

Money

The money in my country is called: Euro

It looks like this:

They also have 20, 50, 100, 200 and 500

Landscapes

In the Netherlands there are lots of canals, waterways and dikes. The dikes are there to make sure the country does not get flooded by the North Sea or the Rhine River. The Netherlands also has low flat lands in the West and North and small hills in the east and south.

This is a map of the world. The Netherlands is located in Europe, between Belgium and Germany. The Netherlands is smaller than the State of West Virginia.

Weather

The weather is affected by the water that borders the Netherlands. They have cool Summers (14°-20°) and mild winters (3°-8°). Rain comes each month, but it is driest between April and September.

Food

The Dutch are famous for their cheese. Dishes are made and prepared with seasonal vegetables. Beefsteak and lamb are popular with...
